Hi Adam,

Sorry about the link expiring, here's another link to it: <https://meadowlark.sharefile.com/d-sf7eb283014c4587a>

Regards,

Dane

Subject: Latest version of Blink software?

Hi Dane,

Could you please send us a link to the latest version of the software?

The link to the version with updated WinDriver, UI fix, *and long timeout* you sent on September 6th has expired.. and I annoyingly forgot to make a local copy!

Is there anything new since this version?

Thanks

Adam
